INDEPENDENT AUDITORS' REPORT

October 10, 2008

To the Board of Directors
SUPPORT NETWORK FOR BATTERED WOMEN

We have audited the accompanying statements of financial position of Support Network for Battered Women as of June 30, 2008 and June 30, 2007, and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the management of Support Network for Battered Women. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Support Network for Battered Women as of June 30, 2008 and June 30, 2007, and the changes in its net assets and cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated October 10, 2008 on our consideration of the Support Network for Battered Women's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of Support Network for Battered Women taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

SUPPORT NETWORK FOR BATTERED WOMEN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2008 AND 2007

NOTE 1 - OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

(a) Support Network for Battered Women ("Support Network") is a California nonprofit corporation which began operations in 1979 as Mid-Peninsula Support Network to provide a variety of services to victims of domestic violence. The Organization, which changed its name to Support Network for Battered Women in 1993, provides a 24-hour crisis hotline, an emergency shelter, counseling and referral services, legal assistance and community education to residents of Santa Clara County. The Support Network offers services under the following seven major programs:

1. *Crisis services:* Staff and volunteers answer the 24-hour crisis line, providing information and referral services, and a crisis intervention program which includes emergency shelter.
2. *Counseling services:* Support Network offers psychotherapy and support groups, led by licensed therapists and interns working under their supervision. These services are designed to help victims of domestic violence address the long-term effects of domestic abuse after they have found physical safety.
3. *Shelter services:* Support Network operates a local shelter, generally at full capacity, for families who need a safe place to live while recovering from domestic violence. While in residence, clients benefit from individual and group counseling, employment training, and workshops on communication and parenting skills.
4. *Legal services:* Support Network offers legal information services and victim advocacy, including assistance in filing restraining orders and accompanying victims to family or criminal court hearings.
5. *La Familia:* The goal of this program is to address domestic violence in the Latino community through prevention and intervention services for the entire family, which is accomplished primarily through bilingual staff members who provide crisis counseling, family interventions, and support with immigration and legal issues.
6. *Volunteers:* Trained volunteers help to accomplish Support Network's goals by providing over 15,000 hours each year in support services to the Organization and its clients.
7. *Education:* Support Network's staff and volunteers speak at community colleges and universities, service clubs, churches, workplaces and other community groups to educate the public about domestic violence issues. Support Network also provides training to health professionals, law enforcement agencies, schools and volunteers of its own and other organizations who are involved in identifying and assisting victims of domestic abuse.

(b) The accompanying financial statements have been prepared on the accrual basis in conformity with U.S. generally accepted accounting principles. Those principles require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from such estimates.

(c) In accordance with Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*, Support Network reports information regarding its financial position and activities according to three classes of assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Support Network maintains separate accounts for net assets restricted by donor for the purpose for teen education, and for net assets restricted by the donor for time restrictions.

(d) Support Network has also adopted SFAS No. 116, *Accounting for Contributions Received and Contributions Made*, whereby contributions received are to be recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Restricted net assets are reclassified to unrestricted net assets upon satisfaction of the time or purpose restrictions. Unconditional promises to give, less an allowance for uncollectible amounts, are recognized as revenue at the time the promise is made by the donor; conditional promises to give are disclosed but not recognized as revenue until the conditions are met.

(e) The Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

SUPPORT NETWORK FOR BATTERED WOMEN
NOTES TO FINANCIAL STATEMENTS - (Continued)
JUNE 30, 2008 AND 2007

NOTE 1 - OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (continued)

(f) Acquisitions of property and equipment in excess of \$1,000 are capitalized. Property and equipment are carried at cost or, if donated, at approximate fair value at the date of donation. Depreciation is computed using the straight-line method with estimated useful lives from 3 to 40 years. Expenditures representing general maintenance and repairs are expensed in the year incurred.

(g) Fundraising activities are performed primarily by Support Network employees and volunteers. Special events that are major and/or ongoing are reported as gross proceeds and related expenses in accordance with AICPA's *Not-for-Profit Organizations* and SFAS No. 117, *Financial Statements of Not-for-Profit Organizations*. Joint costs incurred in fundraising activities are allocated between program and support services in the statement of functional expenses, as required by AICPA's *Not-for-Profit Organizations*.

(h) Support Network has obtained tax-exempt status from the Internal Revenue Service under Section 501(c)(3) of the Internal Revenue Code and from the Franchise Tax Board under Section 23701(d) of the California Revenue and Tax Code. Accordingly, no provision for federal income tax or California franchise tax has been made. Support Network has been classified as a publicly supported charitable organization, which is not a private foundation under IRS Code Section 509(a).

SUPPORT NETWORK FOR BATTERED WOMEN
NOTES TO FINANCIAL STATEMENTS - (Continued)
JUNE 30, 2008 AND 2007

NOTE 5 - RELATED PARTY NOTE PAYABLE/CONDITIONAL GRANT

In 2004, a company owned by a Support Network employee provided an interest-free loan of \$100,000. The remaining balance of \$49,590 was converted by the donor to a conditional grant, to be forgiven if Support Network's board of directors raised \$100,000 through its fundraising efforts as of June 30, 2006. Support Network reached this goal, and the \$49,590 was forgiven by the lender during the fiscal year ending 2007.

NOTE 6 - LEASE COMMITMENTS

On July 22, 2005, Support Network entered into an agreement to lease offices in Sunnyvale. The lease, which expired on August 31, 2008, included an option to extend the lease for an additional term of three years. Support Network exercised this option and entered into an agreement on June 30, 2008 to extend the lease to August 31, 2011, with monthly rent due as follows: \$7,267 per month from September 1, 2008 to August 31, 2009; \$7,485 per month from September 1, 2009 to August 31, 2010; and \$7,710 per month from September 1, 2010 to August 31, 2011.

Rent expense for the years ended June 30, 2008 and 2007 was \$84,865 and \$80,706, respectively.

NOTE 7 - DONATED SERVICES, MATERIALS AND FACILITIES

Support Network received over 15,000 hours of donated services from trained volunteers assisting in various programs and fundraising activities in 2008 and 2007. Included in these hours are approximately 2,900 hours and 2,500 hours donated by trained counseling interns in 2008 and 2007, respectively. The estimated value of these professional services has been recognized in the accompanying statement of activities because the criteria for recognition of such volunteer effort under SFAS No. 116 has been met. Support Network's management has estimated the value of the interns' counseling services at \$57,000 and \$60,700 for the years ended June 30, 2008 and 2007, respectively. These amounts are included as contributions and expenses in the statement of activities in accordance with SFAS No. 116. Support Network also received in-kind contributions valued at \$31,500 for improvements to the shelter during the fiscal year ending 2007. This amount has been capitalized as property and equipment in the statement of financial position.

NOTE 8 - CONCENTRATION OF CREDIT RISK FOR CASH DEPOSITS AT BANKS

Financial instruments that potentially subject the Support Network to concentration of credit risk consist principally of cash deposits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$100,000. On October 10, 2008, the FDIC limit increased to \$250,000, effective through December 31, 2009. At June 30, 2008 and 2007, the Support Network had approximately \$372,000 and \$342,000, respectively, in excess of FDIC limits. Although Support Network has not experienced any losses on such accounts, management has subsequently rebalanced its cash deposits to mitigate any concentration risks. As of the issuance date of the audit report, Support Network's cash balances are within the limits insured by FDIC.

October 10, 2008

To the Board of Directors
SUPPORT NETWORK FOR BATTERED WOMEN

We have audited the financial statements of Support Network for Battered Women (a nonprofit organization) as of and for the year ended June 30, 2008, and have issued our report thereon dated October 10, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered Support Network for Battered Women's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Support Network's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the audit committee, management, Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
